

Beaver Lake Watershed Partnership
Meeting Agenda • Monday, June 18, 2007
Marion Gerrish Community Center, Room 1 • 4:00-7:00 PM
A light supper of sandwiches, desserts, and beverages will be provided

- 4:00 **Welcome and introductions**
- 4:10 **A Day in the Life of a Stream Team**
Steve Landry, NH Department of Environmental Services, and Jacqueline Côté, NHDES intern
Outcome: After this session, Partners will be conversant in the Stream Team process and its importance to the Partnership, the Plan, and implementation process.
- 4:45 **Project status including Plan development, public input session, and support for post-Plan implementation**
Outcomes: The Partnership is up-to-date on the Plan draft and has had an opportunity to discuss their impressions from the public input session. Sources of support for Partnership Plan implementation will be identified.
- 5:00 **Break for supper buffet**
- 5:20 **Next steps including agenda planning and scheduling “State of the Watershed” session**
Outcome: A date, venue, and agenda for the “State of the Watershed” event will be finalized.
- 6:15 **Review this meeting’s action items, assignments, and due dates and schedule next Partnership meeting**
Outcome: a draft list of action items will be produced identifying assignments including who will complete each task and by what date.
- 6:25 **“Around the Watershed:” Partners should come to the meeting prepared to identify missing participants and provide information on geographic areas of concern in the watershed**
Outcome: Partners have an enhanced awareness and understanding of Beaver Lake Watershed issues
- 7:00 **Adjourn**
